Dear Sirs and Madam:

Section 11 of the Agreement provides that the Initial Term of the Agreement will end on the fifth anniversary of the Commencement Date. Section 11 of the Agreement also provides that the Agreement may be renewed for up to three (3) Additional Terms if either party gives written notice to the other at least 120 days prior to the end of the Initial Term, or the applicable Additional Term, as the case may be, of its intention to renew the Agreement for an Additional Term. Having made the determination described in Section 11(b) of the Agreement, MEL hereby gives Distributor written notice of MEL's intention to renew the Agreement for an Additional Term, which shall constitute MEL's notice to renew the Agreement for a further period of five (5) years (the "First Additional Term"), with the First Additional Term commencing at the end of the Initial Term.

Nothing contained in this letter shall be construed as agreement, approval, consent or a waiver by MEL of any amendment, modification, novation and/or assignment of, or a delegation or other transaction with respect to, the Agreement.

Please advise us immediately if you disagree with any of the foregoing.

We look forward to our continuing relationship.
Sincerely,

MONSTER ENERGY LIMITED
