Re: *International Distribution Agreement entered into between Monster Energy Limited ("MEL") and Coca-Cola Beverages Kenya Limited formerly known as Nairobi Bottlers Limited ("Distributor") dated as of September 28, 2015, as amended (the "Agreement"). Any capitalised terms not otherwise defined in this letter shall have the meanings ascribed such terms in the Agreement.*

Dear Sir/Madam,

Section 11 of the Agreement provides that the Initial Term of the Agreement will end on the fifth anniversary of the Commencement Date. Section 11 of the Agreement also provides that the Agreement may be renewed for up to three (3) Additional Terms if either party gives written notice to the other at least 120 days prior to the end of the Initial Term, or the applicable Additional Term, as the case may be, of its intention to renew the Agreement for an Additional Term. The Agreement was previously renewed for an Additional Term (the "First Additional Term") by MEL's written notice to Distributor on June 2, 2020. Having made the determination described in Section 11(b) of the Agreement, MEL hereby gives Distributor written notice of MEL's intention to renew the Agreement for a further Additional Term, which shall constitute notice of renewal of the Agreement for a further period of five (5) years (the "Second Additional Term") commencing at the end of the First Additional Term.

Nothing contained in this letter shall be construed as agreement, approval, consent or a waiver by MEL of any amendment, modification, novation and/or assignment of, or a delegation or other transaction with respect to, the Agreement.

Please advise us immediately if you disagree with any of the foregoing.

We look forward to our continuing relationship.
Sincerely,

MONSTER ENERGY LIMITED
